## Emergency Situations:

Examples: Floods, Hurricanes, Blizzards, Etc.

In case of emergency, remember to:

**Make A Plan** - Know where you will meet and how you will contact family members.

**Build A Kit** - Have an emergency supply kit containing water, nonperishable food, battery powered radio, flashlight, extra batteries, medication and sanitary supplies.

**Be Informed** - Know how to receive emergency information in your community.

Emergency Bulletins are broadcast on radio stations WJLK-94.3FM, WOBN-92.7FM and WRAT-95.9FM. Emergency notifications can also be received via phone and/or email by registering for Bradley Beach's Emergency Notification System. This can be done by logging in to [www.bradleybeachnj.gov](http://www.bradleybeachnj.gov) and clicking on "Emergency Notification System" on the Emergency Management link. You may also go to the Bradley Beach Police Department to register.

If you must prepare to evacuate, and time permits, you should secure your home by bringing all outdoor objects that could become projectiles indoors, turn off all utilities, move valuables to higher floors.

Never walk through standing or moving flood water.

For additional information, please log on to these helpful websites:

[www.ready.gov](http://www.ready.gov)

[www.registerready.nj.gov](http://www.registerready.nj.gov)

[www.weather.gov](http://www.weather.gov)

Be aware of alternate side of street parking rules that apply during snow fall. You can receive instructions by logging on to [www.bradleybeachnj.gov](http://www.bradleybeachnj.gov).

If you are unsure of what you should do in the event of an emergency contact the Bradley Beach Police Department at (732) 775-6900

### **PARKING DURING SNOW EMERGENCIES**

#### **PHASE ONE:**

All vehicles shall be moved off of the south side of the street from all streets that run east and west.

All vehicles shall be moved off of the east side of the street from all streets that run north and south.

Vehicles shall not be moved back until the streets have been plowed sufficiently and snow has stopped, to the extent that parking will not interfere with the normal flow of traffic.

**IN PHASE TWO OF THIS ORDINANCE:** All vehicles shall be moved off of the north side of all streets that run east west and off of the west side of all streets that run north south. This is to allow for continued plowing when necessary.

For further information please refer to Ord.# 9-11.1 (Temporary no parking for snow removal).

**TRASH:** Trash and Recycling should not be placed curbside during a snow emergency.

#### **PLACING SNOW OR ICE INTO THE STREET (S) IS PROHIBITED**

No person or other entity shall throw, place or deposit any snow or ice into or on any street in the Borough, and no owner, tenant or occupant shall cause or allow such throwing, placing or depositing or any snow or ice to remain in the street, being the intent and purpose of this provision to prohibit all such persons and entities from throwing, placing or depositing snow or ice which accumulated on the private property of adjoining sidewalks into the streets of the Borough.

***PLEASE CLEAR FIRE HYDRANTS OF SNOW FOR EMERGENCIES***

## **Bicycle Safety**

### **Safety Check Bicycle Equipment**

Always inspect your bike prior to riding.

- The seat should be adjusted to the proper height and locked in place
  - Make certain all parts are secure and working properly
    - Check that the tires are inflated properly
- Make sure the bike is equipped with reflectors on the rear, front, pedals and spokes
- A horn or bell, a rear-view mirror and a bright headlight also are recommended

### **Plan to Be Seen**

Make certain drivers can see you.

- Wear neon, fluorescent or other bright clothing
  - Whenever possible, ride during the day
- If you must ride at night, wear reflective clothing and use bike lights for visibility.

### **Wear a Helmet**

Helmets appropriate for bicycling should be worn by everyone – adults and children – on every bike ride regardless of length of the ride.

Helmets are required in New Jersey for cyclists under age 17. More detailed guidelines for helmets can be found NHTSA.gov to properly fit a bicycle helmet:

<https://www.nhtsa.gov/road-safety/bicycle-safety>

- Adjust sizing pads or fit ring until the helmet is snug
- Position the helmet level on your head, covering the forehead and not tipped backward or forward; this will be about one to two finger widths above the eyebrow
  - Adjust the side straps so they form a "V" shape under and slightly in front of your ears
    - Center the buckle on the chin strap under your chin
- Buckle and tighten the chin strap until it is snug; no more than one to two fingers should be able to fit between the chin and strap
  - When fitted, the helmet should not rock more than 1 inch side to side or front to back on your head

### **Follow the Rules of the Road**

Stay safe by following the rules:

- Get acquainted with traffic laws; bicyclists must follow the same rules as motorists
  - Ride single-file in the direction of traffic
- Remain alert, keep your head up and look around; watch for opening car doors and other hazards
  - Use hand signals when turning and use extra care at intersections
- Before entering traffic, stop and look left, right, left again and over your shoulder

**Please remember to always lock up your bicycles when unattended. Thank you.**

## 286-34 BULK STICKER FEES FOR COLLECTION OF BULK GOODS

The following schedule of the number of fee stickers required for each bulk item is based on four fee stickers for 25 pounds of weight. The weight of items used in this schedule are estimated weights formulated by the Department of Public Works. If any item not on this schedule is being placed for collection, the person placing the item should estimate the total weight to the item (in pounds) and divide the figure by 25 to arrive at the number of fee stickers required for that item. Any person unable to estimate the weight of any item may call the Department of Public Works for an estimate.

**Below is a list of the most common items placed at curbside for disposal. NOTE: Items weighing less than 25 pounds require four stickers, provided that items weighing more than 25 pounds may be combined and placed together in a bag as long as the bag does not weigh more than 25 pounds. Four stickers must then be placed on the outside of the bag. NOTE: Bulk items taken to the Trash/Recycling Lot, 1011 Main Street, Bradley Beach MAY NOT require stickers. (proof of residency required).**

ITEM	NUMBER OF REQUIRED STICKERS
Straight Back Chair	4
Dining Room Chair	6
Stuffed Chair	6
End Tables & Nightstands	4
Sofa	10
Mattress	8
Sofa Bed	20
Box Spring	6
Dresser/Chest	8

10 X 12 Carpet	10
<b>APPOINTMENT FOR PICK-UP</b>	
Refrigerator	30
Freezer	30
Any unit containing Chlorofluorocarbons	30
Washing Machine	30
Air Conditioner more than 5000 BTU	30
Air Conditioner less than 5000 BTU	15
Dryer	20
Water Heater	20
Stove	30
Dishwasher	30
Electronics/Metal*	4
*minimum of 4 bulk stickers/additional based on weight*	

## COLLECTION OF PLASTIC FILM

Bradley Beach has launched New Jersey's first pilot program for residential curbside recycling of plastic film. The goal of the program is to reduce our community's plastic waste by expanding access to recycling options for these materials.

Until now, the only recycling option for plastic film materials was for residents to drop the material off at retail stores which participate in a store-drop off recycling program. Bradley Beach has expanded the recycling options for our residents by creating a program to accept plastic film materials as part of our curbside recycling program.

**Here's how Bradley Beach residents can participate:** The Borough will provide each household with a "plastic film" recycling bin. Residents can place clean and dry plastic film materials including grocery bags, plastic storage bags such as Ziploc®, dry-cleaning bags, etc. and other plastic film into the container using the following instructions. The second Wednesday of every following month, the material will be picked up for recycling.

The initial program is slated to run from November 2019 to November 2020. With your participation, you can help safeguard our coast and minimize our plastic waste.

### Follow these four simple steps:

***Plastic Film Pickup is the second Wednesday of every month.***

# TRASH COLLECTION ZONES

## ZONE 1 MONDAY & THURSDAY

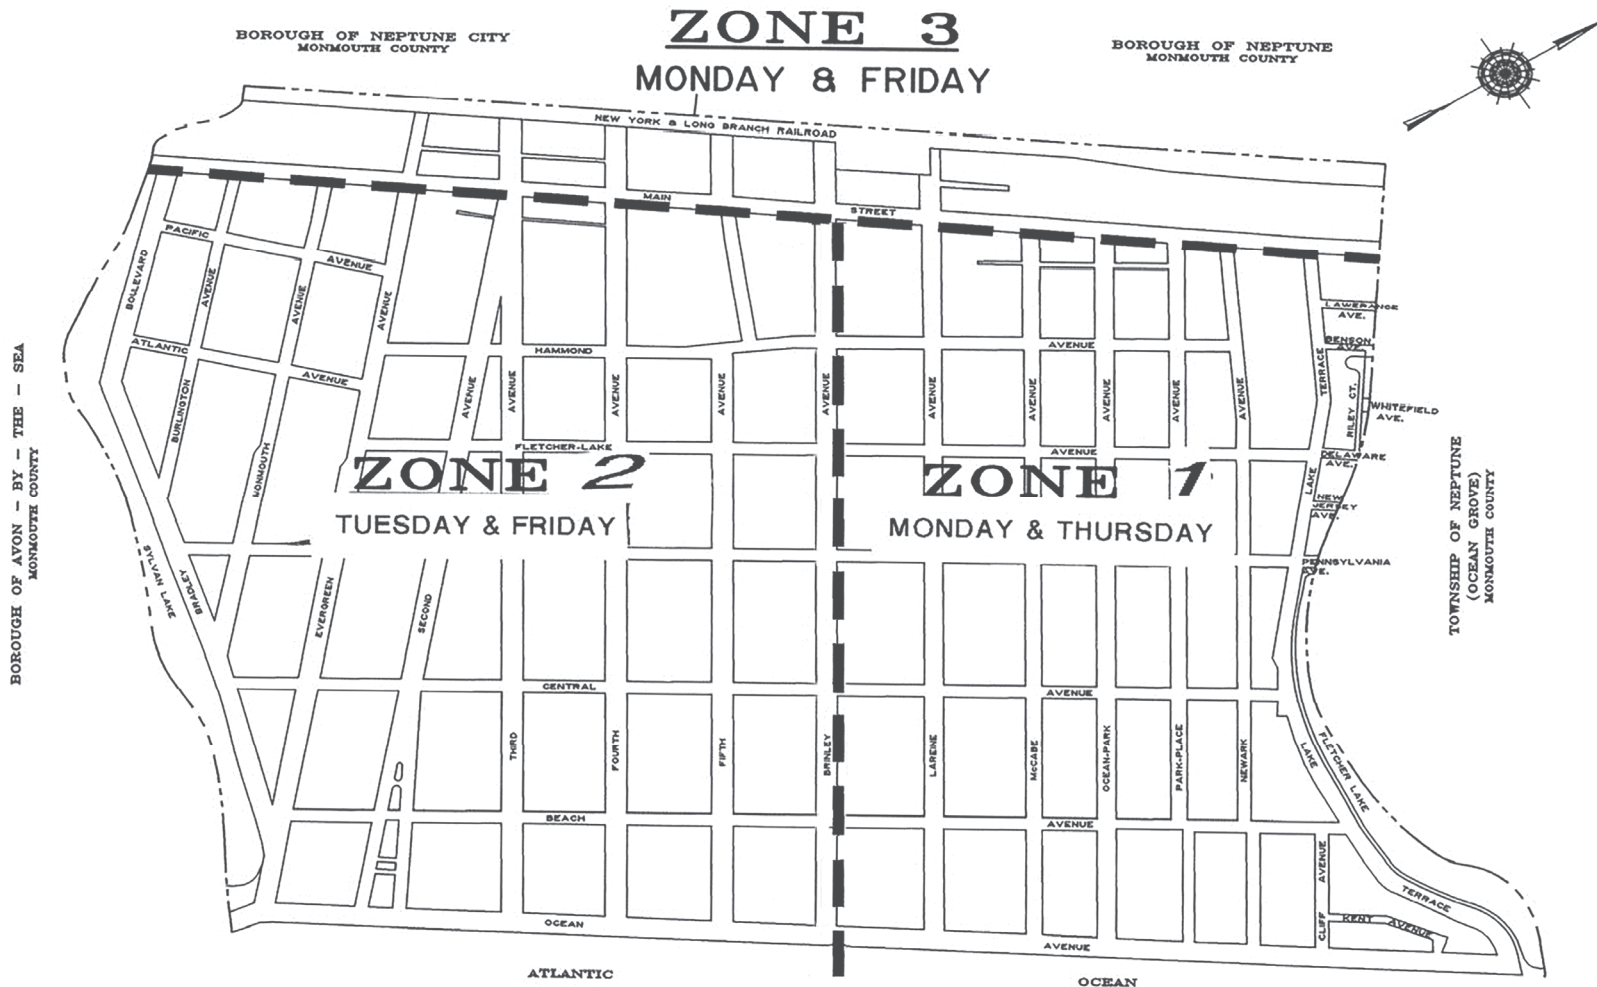

Lake Terrace to LaReine Avenue

## ZONE 2 TUESDAY & FRIDAY

Brinley Avenue to Bradley Blvd.

## ZONE 3 MONDAY & FRIDAY

Main Street & all 700  
Blocks throughout the  
Borough.

**Covered trash containers must be placed curbside no later than 5:00 am the day of collection and no earlier than 12 hours before pick-up. Empty trash containers must be removed from curbside within 12 hours of collection. Trash will NOT be picked up on Thanksgiving, Christmas or New Year's Day, please place trash curbside for collection on the next regularly scheduled day. Trash collection will be suspended during a Severe Storm or a State of Emergency. Trash collection will resume on the next regular day of collection.**

## TRASH AND RECYCLING INFORMATION

Biagio Cofone – DPW

Superintendent 732-776-2999 ext. 3101

### RECYCLING

NEWSPAPER: #1 Newspapers sold at newsstands may be tied in bundles or placed with single stream recyclables in a container. (NO plastic bags will be accepted.)

MIXED PAPER: High Grade (computer paper, printouts, tab cards and white paper) may be tied in bundles or placed with single stream recyclables in a container.

SINGLE STREAM Aluminum cans, tin cans, plastic and glass bottles (all colors), newspapers and mixed paper are to be placed into an open sturdy re-useable container not to exceed 38 gallons with holes in the bottom and placed curbside by 5:00 am the day of collection. ALL cans, bottles and plastics should be washed to control bugs and odors.

CARDBOARD: Corrugated boxes (un-waxed) may be collapsed, folded and tied securely in bundles, maximum size of 2' X 2' or placed with single stream recyclables in containers.

### ITEMS NOT ACCEPTED:

Motor oil containers, mirrors, bulbs, dish ceramics or window glass, plastic bags and broken bottles or any other type of broken glass.

**COMPUTER, ELECTRONIC AND METAL**: require an appointment for curbside pick-up. Contact borough hall at 732-776-2999 ext. 1029 to schedule a **Curbside Pick-up. Bulk Stickers are Required**. Items Accepted: computer cases, CPU's, keyboards, mice, monitors, scanners, printers, cables, laptops, peripherals, television, radios, telephones, cameras, stereo components, VCR's and DVD players. Bradley Beach residents **may bring (Bulk Stickers Required)** the above listed items to the Trash/Recycling Lot, 1011 Main Street, and Bradley Beach. (proof of residency required). Please refer to the Borough website [www.bradleybeachnj.gov](http://www.bradleybeachnj.gov) for days and hours of operation.

### HAZARDOUS WASTE

**HAZARDOUS WASTE**: Paints, pesticides, fertilizers, motor oil, antifreeze, pool chemicals, propane tanks, batteries, gasoline and herbicides can be brought to the Monmouth County Hazardous Waste Facility at 3211 Shafto Road, Tinton Falls, New Jersey. For an appointment please call 732-683-8686 ext. 5210.

### BULK ITEMS

Bulk stickers are required for curbside pickup of items that are not considered regular household garbage. Bulk stickers may be purchased at Borough Hall. Bulk trash shall only be placed at the curb 12 hours before regulated pickup days and no later than 5:00 am the day of collection. Borough residents may dispose of bulk items (without Bulk Stickers) at the Trash/Recycling Lot, 1011 Main Street, Bradley Beach (proof of residency required). Boro residents may dispose of five (5) Large Bulk Items per month free of charge. Anything over 5 items may be disposed of in a one (1) month period at the Trash/Recycling Lot with purchase of Bulk Stickers. Please refer to the Borough website for days and hours of operation.

# RECYCLING COLLECTION

## TOWN-WIDE COLLECTION OF RECYCABLES EVERY WEDNESDAY

Recycling will now be easier! You will throw all your recyclables into one covered container (12-38 gallon in size) for curb-side collection. Recycled items are cleaned, processed and re-purposed as new products and by participating you will help save the planet as well as save thousands in landfill fees. **Ordinance 286-21 (Separation of Recyclable Materials) will be strictly enforced, failure to comply will result in a summons.** All recyclables must be placed loose in the appropriate covered container and NO plastic bags. Items that are not recyclable must be placed with regular trash. Below are a list of accepted and not accepted items for recycling:

### Accepted Items:

Newspaper, office paper,  
Junk mail, envelopes  
Magazines  
Flat corrugated cardboard  
Cereal boxes  
Glass bottles and jars  
Metal containers  
Metal beverage containers  
Plastic water & soda bottles  
Plastic milk bottles  
Shampoo, detergent bottles

### Not Accepted Items:

Food, coffee grounds, etc.  
Plastic bags, plastic wrap  
Shopping bags of any kind  
Wax-covered boxes  
Paper plates, Pizza boxes  
Plastic utensils  
Deli containers, Styrofoam  
Window glass, ceramics, dishes  
Wire, wire hangers  
Christmas lights  
Diapers

**Bradley Beach residents may dispose of Recyclable Materials at the Department of Public Works, Trash/Recycling Lot, 1011 Main Street, Bradley Beach, New Jersey. (Proof of residence required). Please refer to the Borough website [www.bradleybeachnj.gov](http://www.bradleybeachnj.gov) for days and hours of operations.**

## LEAVES, BRUSH & YARD WASTE

### Pick up:

All brush and yard waste shall be placed at curb side by 5:00 am of the day designated for collection. No brush or yard waste shall be placed at the curb side more than 72 hours prior to any scheduled collection. The Public Works Department starts picking up on the designated Monday and it may take a few days to complete the town. If the Monday falls on a holiday pick-up will be the next working day.

Brush and Shrubs, not more than eight inches in diameter and not in excess of 10 feet in length, may be placed between the curb and sidewalk for collection by the Borough only on days specified for brush collection. All brush placed at any curb must have originated at the property adjacent to the curb at which same is placed for collection. Brush will be collected on the second and fourth Monday in April and the second Monday in March, May, June, September, October and November. The Superintendent of Public Works may add additional brush pick-ups throughout the year, on an as needed basis, please refer to the Borough website at [www.bradleybeachnj.gov](http://www.bradleybeachnj.gov) for updates. The Public Works Department will collect brush as a result of a severe storms though out the year.

Yard Waste will be collected on the brush collection dates. Yard waste materials to be collected by the Borough of Bradley Beach shall be drained of all liquid and then placed at curb side in an authorized yard waste container ONLY. No yard waste loose at the curb will be collected and a summons will be issued for failure to comply.

Leaves may be placed, loose or in biodegradable leafs bags at curb side from April 1 through May 31 and from September 15 through December 1st. Leaves shall not be closer than 10 feet to drain inlet. Leaves may be placed for collection only in authorized biodegradable leaf bags.

### ALL ITEMS MUST BE PLACED AT THE CURB IN SEPARATE PILES.

**GRASS CLIPPINGS WILL NOT** be collected by the Borough and SHALL NOT be placed at the curb at any time. The Borough encourages you to participate in the Grass – Cut it and Leave it Program. By doing this you will:

- Save time – You don't have to empty your mower's bag, no raking, no bagging, and no taking clippings to the street.
- Use less water – lawn clippings contain water and leaving those clippings on the lawn retains moisture, therefore you water less, or not at all.
- Use less fertilizer – lawn clippings contain nutrients. Leaving them on the lawn fertilizes your lawn, therefore you use less fertilizer or none at all.

We advise that you mow High! 2.5" – 3.5" is ideal for NJ. It saves moisture and shades out weeds.

### Definitions:

Authorized Yard Waste Container: Trash or garbage container with approved label and drain holes to allow the water to drain. The container shall not exceed 50lbs with contents.

Yard Waste: Hedge/yard trimmings and vegetation from flowers and gardens. Authorized Leaf Bag: Biodegradable leaf bag.

**Bradley Beach residents may dispose of brush, shrubs, leaves and yard waste at the Trash/Recycling Lot, 1011 Main Street, Bradley Beach (proof of residency required) Please refer to the Borough website at [www.bradleybeachnj.gov](http://www.bradleybeachnj.gov) for days and hours of operation.**

## FIRE ESCAPE PLAN

Draw a map of your home. Show all doors and windows. Visit each room.

Find two ways out.

All windows and doors should open easily. You should be able to use them to get outside.

Make sure your home has smoke alarms.

Push the test button to make sure each alarm is working.

Pick a meeting place outside. It should be in front of your home. Everyone will meet at the meeting place.

Make sure your house or building number can be seen from the street.

Talk about your plan with everyone in your home.

Learn the emergency phone number for your fire department. Practice your home fire escape drill twice a year!

## SMOKE and CARBON MONOXIDE DETECTOR SAFETY

### WHAT TYPE DO I NEED?

There are three types of smoke detectors PHOTO ELECTRIC, IONIZATION and DUAL SENSOR. Each alarm will respond differently depending on the nature of the fire. The Consumer Product Safety Commission and the US Fire Administration recommend the DUAL SENSOR for optimal response.

- There should be a minimum of one smoke detector on each floor outside the bedrooms
- Carbon Monoxide detector shall be installed within 10 feet of each bedroom
- The most important thing after you purchase and install your smoke alarms is to maintain them.
- A non-working alarm is as effective as not having an alarm.
- Change your batteries at the annual time changes or whenever it “chirps” a low battery signal.
- Press the test button every so often to make sure it is working.
- Replace device every (10) years from the manufacturer date.

### Carbon Monoxide FACTS:

Carbon Monoxide is a toxic gas which can kill you even before you are aware it is in your home or apartment. At low levels it can mimic flu symptoms, including nausea and fatigue, headaches and dizziness. The effects are different based upon your general health, age and level of exposure.

Carbon Monoxide has many sources: gas fired appliances, wood burning stoves, fireplaces and your garaged motor vehicle. People do die, and hundreds are injured every year, due to carbon monoxide poisoning. Please be careful.

## BBQ SAFETY

**NEVER** use a grill on a balcony.

As part of annual maintenance check grill for faulty valves and rust. Replace worn parts. Always store cylinders outside, in the upright position and **NEVER** store cylinders inside.

After fill up or exchange bring propane tanks home, valve closed and capped in a ventilated vehicle.

**NEVER** store, use or transport near high temperature. On refills/exchanges have supplier check cylinder for damage, rust, dents or leaks. Keep the grill at least

five feet from a combustible wall or fence

**STAY SAFE THIS SUMMER, FOLLOW THESE SAFETY HINTS Bon Appetit!**

## **CERTIFICATE OF OCCUPANCY**

No person shall occupy, rent, lease, sell, transfer title or permit the occupancy, letting or sale, or allow any person to live in or upon or inhabit as a tenant or occupant or to occupy as any new owner or co-tenant or co-owner any dwelling house or dwelling unit or any portion of a premises occupied for a separate and distinct commercial use within the confines of the Borough unless such person first obtains from the Code Enforcement Officer of the Borough a Certificate of Occupancy and permit authorizing any of the foregoing and when any of the foregoing shall take place.

The certificate of occupancy for residential rental units shall be for a term of three years or until the change of ownership of the property or a change in the tenant of the property, whichever event is sooner.

## **FLOOD INFORMATION**

Anywhere it rains, it can flood. A flood is a general and temporary condition where two or more acres of normally dry land or two or more properties are inundated by water or mud flow. Many conditions can result in a flood: hurricanes, overtopped levees, outdated or clogged drainage systems and rapid accumulation of rainfall. Just because you haven't experienced a flood in the past, doesn't mean you won't in the future. Flood risk is not just based on history, it's also based on a number of factors: rainfall, river-flow, tidal-surge data, topography, flood-control measures, and changes due to building and development.

Flood-hazard maps have been created by the federal government to show different degrees of risk for your community, which help determine the cost of flood insurance. The lower the degree of risk, the lower the flood insurance premium. Homeowners Insurance does not provide coverage for floods. A separate policy must be obtained. The federal government offers such policies. See below.

### **HOW CAN I TELL IF MY HOME IS IN THE FLOOD ZONE?**

The Borough of Bradley Beach is mainly not in the flood zone. Small sections of land near Sylvan Lake and Fletcher Lake are in the flood zone. To determine your zone, you can contact Borough Hall, or go to the Borough website [www.bradleybeachnj.gov](http://www.bradleybeachnj.gov) and click the link to FEMA or onto the website: [www.fema.gov](http://www.fema.gov) and click on maps, then flood map online and enter address.

### **IF FLOOD INSURANCE IS NEEDED, PLEASE SEE THE BELOW INFORMATION:**

The National Flood Insurance Program (NFIP) is administered by the Federal Emergency Management Agency (FEMA), which works closely with nearly 90 private insurance companies to offer flood insurance to property owners and renters. In order to qualify for flood insurance, a community must join the NFIP and agree to enforce sound floodplain management standards. The Borough of Bradley Beach is a NFIP member. The NFIP, a federal program, offers flood insurance, which can be purchased through property and casualty insurance agents. Rates are set and do not differ from company to company or agent to agent. These rates depend on many factors, which include the date and type of construction of your home, along with your buildings level of risk.

**DRIVING FLOOD FACTS:** The following are important points to remember when driving in flood conditions:

- Six inches of water will reach the bottom of most passenger cars causing loss of control and possible stalling.
- A foot of water will float many vehicles.
- Two feet of rushing water can carry away most vehicles including sport utility vehicles (SUV's) and pick-ups.

**AFTER A FLOOD:** The following are guidelines for the period following a flood:

- Listen for news reports to learn whether the community's water supply is safe to drink.
- Avoid floodwaters; water may be contaminated by oil, gasoline, or raw sewage. Water may also be electrically charged from underground or downed lines.
- Be aware of areas where floodwaters have receded. Roads may have weakened and could collapse under the weight of a car.
- Stay away from downed power lines, and report them to the power company.
- Return home only when authorities indicate it is safe.
- Use extreme caution when entering buildings; there may be hidden damage, particularly in foundations.
- Service damaged septic tanks, cesspools, pits, and leaching systems as soon as possible. Damaged sewage systems are serious health hazards.
- Clean and disinfect everything that got wet. Mud left from floodwater can contain sewage and chemicals.
